5

On the 21st. March 1979, I attended a meeting at the school and the sergeant there informed us that a judge had ordered that we move from Klipfontein.

6

On the 3rd. April 1979 a black Inspector whocame with a truck driver approached me and told me that I would have to break down my house.

I told them that I would not break down my house and neither would I move.

Later on the 3rd. April, a sergeant came to me and told me that the lawyers could do nothing to stop the removals and that we would have to leave.

9

I once again stated that I would not leave, and refused to sign the paper which the officials of the ECAB told me to sign.
