Referred back to NUSAS

South African Students Movement (SASM)

6696 Zone 4,

Deep Kloof,
Johannesburg.

25th March, 1974.

The General Secretary,
NUSAS,
22 Film Street,
17 JAMIESON CENTRE,
CAPE TOWN.

Sir,

Draft.

The South African Students Movement (SASM) is a high school organisation attempting at increasing the role of responsibility amongst black high school students.

The major problem facing an organisation such as SASM is funds to carry out its independent projects. Consequently the committee of SASM has thought of appealing to the good self of your movement about possible funds to carry out our projects.

Attached to this letter is a budget of our winter and summer projects with some of our objectives.

We hope our application will receive
your favourable consideration

Yours Sincerely
Basil Seiso Lentoe
(Organiser)

South African Students Movement.

Objectives

- a) To confer with principals in their principal union with matters affecting students
- b) To organise additional tuition for students during school vacation
- c) To create love for Education
- d) To work with organisations that have the same sympathy to our objectives
- e) To create a sense of responsibility amongst students in their schools and community.
- f) To organise work campaigns

Winter school project.

Rationale

The functional purpose of holding a winter project is to help final year matriculants with additional tuition.

Method:

It is SASM intentions to hold these winter refresher course in Black registered High school with professional teachers giving tuition.

Duration

SASM intends to hold these courses for two weeks (2) in Soweto.

Evaluation

SASM intends to invite ASSECA to evaluate its projects.

Summer School Project.

Rationale

The functional purpose of holding a summer school project is to orientate junior Certificate and Matric students in choosing their careers.

M. Mod.

SASM intends to have professional people from various academic disciplines to give lectures to its summer school. This project will be held at a school.

Duration

SASM intends to conduct this project for two weeks (2) in Soroto

Evaluation

It is the intention of SASM to invite ATASA to evaluate its project.

Winter School budget.

Estimated Expenditure to cover the cost of holding a Winter Refresher School for High School students.

Income

R 200 fee.

Expenditure.

Travel cost	100-00
Tutors cost	400-00
Administration	100-00
	R600-00

Excess: Income 200
Expenditure 600

No. of Days and participants.

No. of Participants 200

No. of days 14

No. of tutors 8

Cost per student R1.

Cost of paying teachers R400
