Bulletin of The

(South Africa)

SPECIAL ISSUE

15th November, 1966.

WE SHALL NEVER FORGET.

WE SHALL NEVER FORGET our comrades-in-arms who have paid the supreme price for the lofty cause of freedom for our country.

WE SHALL NEVER FORGET the callous murder of MINI, KHAYINGA, MKABA, BONGCO, NGUDLE, SALOOJEE and many others; their death remains a permanent indictment against the South African Apartheid Rulers.

WE SHALL NEVER FORGET these comrades, who have braved Vorster's torture chambers and faced fascist brutality boldly in the face. Their sacrifices SHALL NOT BE IN VAIN.

WE SHALL NEVER FORGET our thousands of freedom-fighters who are languishing in Vorster's dungeons. These gallant sons and daughters of South Africa, whose only crime is their militant and uncompromising struggle against White Domination, symbolise the highest in morality. Some have been sentenced to long terms of imprisonment 15 years, 20 years, and even life imprisonment. Their imprisonment has created a loss to the liberation movement. Amongst these are, Nelson Mandela, Walter Sisulu, Ahmed Kathrada, Abraham Fischer, Florence Matomela and many others.

WE SHALL NEVER FORGET the banned, banished and the house-arrested. These comrades are courageously facing life of constant harrasment, persecution and intimidation by Vorter's Gestapo. They are forced into isolation with all civil liberties taken away even the right to go and worship. Amongst these are our President-General Chief A.J. Lutuli, Helen Joseph, Joe Morolong, Zolie Malindi and many others.

WE SHALL NEVER FORGET the families of the heroes of our struggle. The persecution that these families are subjected to will not escape our memories. The loss of their bread-winners, coupled with the banning of the Defence and Aid Fund, have multiplied their difficulties a thousandfold. Some never know where the next bag of mealie meal will come from.

"Mayibuye" is sending you a list of names of the numerous freedom-fighters jailed in South Africa and their families. Let us, during this festive season, remember that to them it is nothing but hard toil and

suffering. Let us demonstrate our solidarity with them and the cause of human freedom by sending Greeting Cards to them and their families. There is no limit to the number of cards one can send - the more the better.

Enlist your support to this cause liberally. Remember that these sons and daughters of South Africa are an invaluable inspiration to those whose task is to destroy fascism. They have proved to us that, for the cause of freedom no price is too high to pay.

LET THEM KNOW BY YOUR GESTURE THAT THEY HAVE NOT
BEEN FORGOTTEN.

(all c/o 35 Fanny Avenue, Norwood, Johannesburg.)

"The A.N.C. has spent half a century fighting against racialism. When it triumphs it will not change that policy. This then is what the A.N.C. is fighting. Their struggle is a truly national one. It is a struggle of the African people inspired by their own suffering and their own experience. It is a struggle for the right to live. During my life time I have dedicated myself to this struggle of the African people. I have fought against white domination, and I have fought against black domination. I have cherished the ideal of a democratic and free society in which all persons live together in harmony with equal opportunities. It is an ideal which I hope to live for and to achieve. But if need be, it is an ideal for which I am prepared to die".

(NELSON MANDELA ADDRESSING THE COURT DURING THE RIVONIA TRIAL).
