
ARCHITECTS!

As architects of tomorrow, is your education equipping you to:

- create non-functional sculptural masterpieces?
- reproduce the glossy American magazine images?
- build office blocks and houses for the rich?
- take your skills overseas?

OR

- provide innovative housing solutions?
- understand your role as architects in the social system?
- understand people's needs?
- create a unique South African architecture?

WHICH WAY IS YOUR EDUCATION
TAKING YOU?
