

The African National Congress is a movement of patriots. It leads the masses in struggle for the destruction of the fascist regime, the transfer of power to the people and the realisation of the objectives contained in the Freedom Charter. It upholds a strategy which combines revolutionary mass political action with revolutionary armed struggle. As members of the ANC we must, together with the people in fact, help to solve all problems that serve to slow down the progress of the struggle, provide a clear perspective of where we go from here and translate that perspective into a practical programme of action.
