- 27 some reviewers display uneasiness with the critical disc-
ussion of post-independence socialist parties and politi-
cal bureaucracies contained in this novel, eg. "Also, by
being so honest, Mayombe perhaps gives the liberals and
weak-minded too much scope for seeing their anti-revolu-
tionary prejudices vindicated in the book. But perhaps
that is their problem, not the book's." Medu 6.1/2, 1984,
