

# **WHO SAYS A SERIOUS NEWSPAPER HAS TO BE DULL?**

## **WE DO**

We're offering the dullest newspaper in town: the Weekly Mail. No Charles 'n Di. No vicars 'n knickers.

And that's not the half of it. The Weekly Mail goes right over the limit. It's aimed at a most unfashionable little group of people: The ones who think.

We bring you the news other papers ignore, the news they merely skim and the news they won't print. Economics, the arts, law, education, labour, health.
