[The names in the list below are taken from *Flash*, the bulletin published by the Passive Resistance Council (PRC) in Durban; *Passive Resister*, a weekly published by the Passive Resistance Council (PRC) in Johannesburg; and other sources. It is not complete. Because of inconsistency in noting the names of resisters, especially those who repeatedly went to prison, as well as errors in spellings of names, several names are apparently listed more than once. The names of the leaders of batches of resisters are marked with an asterisk. Women resisters are denoted in **bold**]
