

P.O. BOX 11427,  
JOHN WILSBURG.  
3rd AUGUST, 1973.

DEAR DR. BORRINI,

I trust that you are still well and happy as well as enjoying your work there at Anglo-American Corporation.

There are two things that I wish to worry you about in this letter. Firstly, I wish to appeal to you to assist me financially as far as the expenses of my case are concerned. I have herein enclosed the legal statement from Mr. Cachalia and I would be very grateful if you could assist me in paying this account. Any financial assistance that you may offer will be very much appreciated.

Secondly, I read from the newspapers that you may be delegated to attend a conference in Geneva during August. I wish to request you to please see me before you go overseas. I would be very grateful if you could set an appointment for our meeting per telephone. My contact is Mr. Sadeque Variava at no. 22-3633 and you could leave a message through this friend of mine.

Thanking you for your kind co-operation.
