Dear Sir

We are sick and tired of telling you to resign but you dont want to resign. We have decided to take some steps to avoid this and we are sorry to have taken such steps.

If at all you see that you cannot resign if its obviously that now you are not prepare to resign and you are going to resign by force. We are going to use force to make you resign: Dont be a slevory of the Gonvenment, dont be a stupid like you ex friend those are killing us for truth. On Monday we want results out of you Mr. Joe. Otherwise we are going to burn you in your house some with your family please if at all you dont want touble but if you are looking for trouble you can keep on making bussiness with other black people.
