Sir

CISKEI COMMISSION

Your letters dated 6 June 1979 and 13 July 1979, refer.

This serves to confirm my telex submitted to you on 19 July 1979.

1. Males 8200 Females 5200
2. This breakdown does not appear in any of our records.
3. †650
4. There are no records of this information.
5. Now 12000, Year ago 13400
6. 319
7. There are vast difficulties involved in estimating this figure due to the migratory factor operating. An official guess would be approximately 6% of the total employed, but it is expected that the figure is far higher outside the Board's area.
8. This breakdown does not appear in any of our records but the number is probably negligible.

I trust that the information furnished will be adequate, but should you require any further details, please contact me directly.

Yours faithfully

S. BOURQUIN
CHIEF DIRECTOR
