Dear Cde Kay,

This is a hurried note, I wrote you a little letter yesterday, it relates to some different issues. But this one relates to my personal request.

As you know, in that suitcase in my wardrobe in our room contains a striped suit of mine; it is a light-weight. May I request you, to make ~~an~~ an effort possibly to give it to Comrades or anybody who will be going to Morogoro on Monday. Around here I haven't got the suitable clothing.

Depending on the situation and the extent in which I will be busy, I will try and send you the minutes of the PB for the Centre Group.

With best wishes

Yours fraternally
