Ons/Our: Mr M.B. Webb/jd

Dear Sir

RE: SQUATTER CAMP

We have been consulted by Mr Sidney Knott, the owner of the farm Lyndhurst which is adjacent to your farm property. Our client advises us that you have permitted a squatter settlement to be constructed on a piece of land adjacent to our client's property. Our client does not wish to be provocative, but we have been requested to place on record that it is our clients understanding of the matter that the settlement is an illegal camp, and that should there be any losses to be attributed to the squatter camp, that he will have no alternative but to hold you liable for such losses or damage which may be sustained.

We trust that this will not be necessary.

Yours faithfully
HUTTON & COOK
