

WE REMEMBER KINROSS

WHY DID THE DISASTER HAPPEN ?

Management :

- * used a substance known to be a fire hazard underground
- * inspected welding equipment badly
- * put a faulty gas cylinder underground
- * did not put fire extinguishers at the welding place
- * did not put an alarm to warn workers of serious danger

MANAGEMENT WAS NEGLIGENT AND DID NOT CARE ABOUT THE SAFETY OF ITS WORKERS

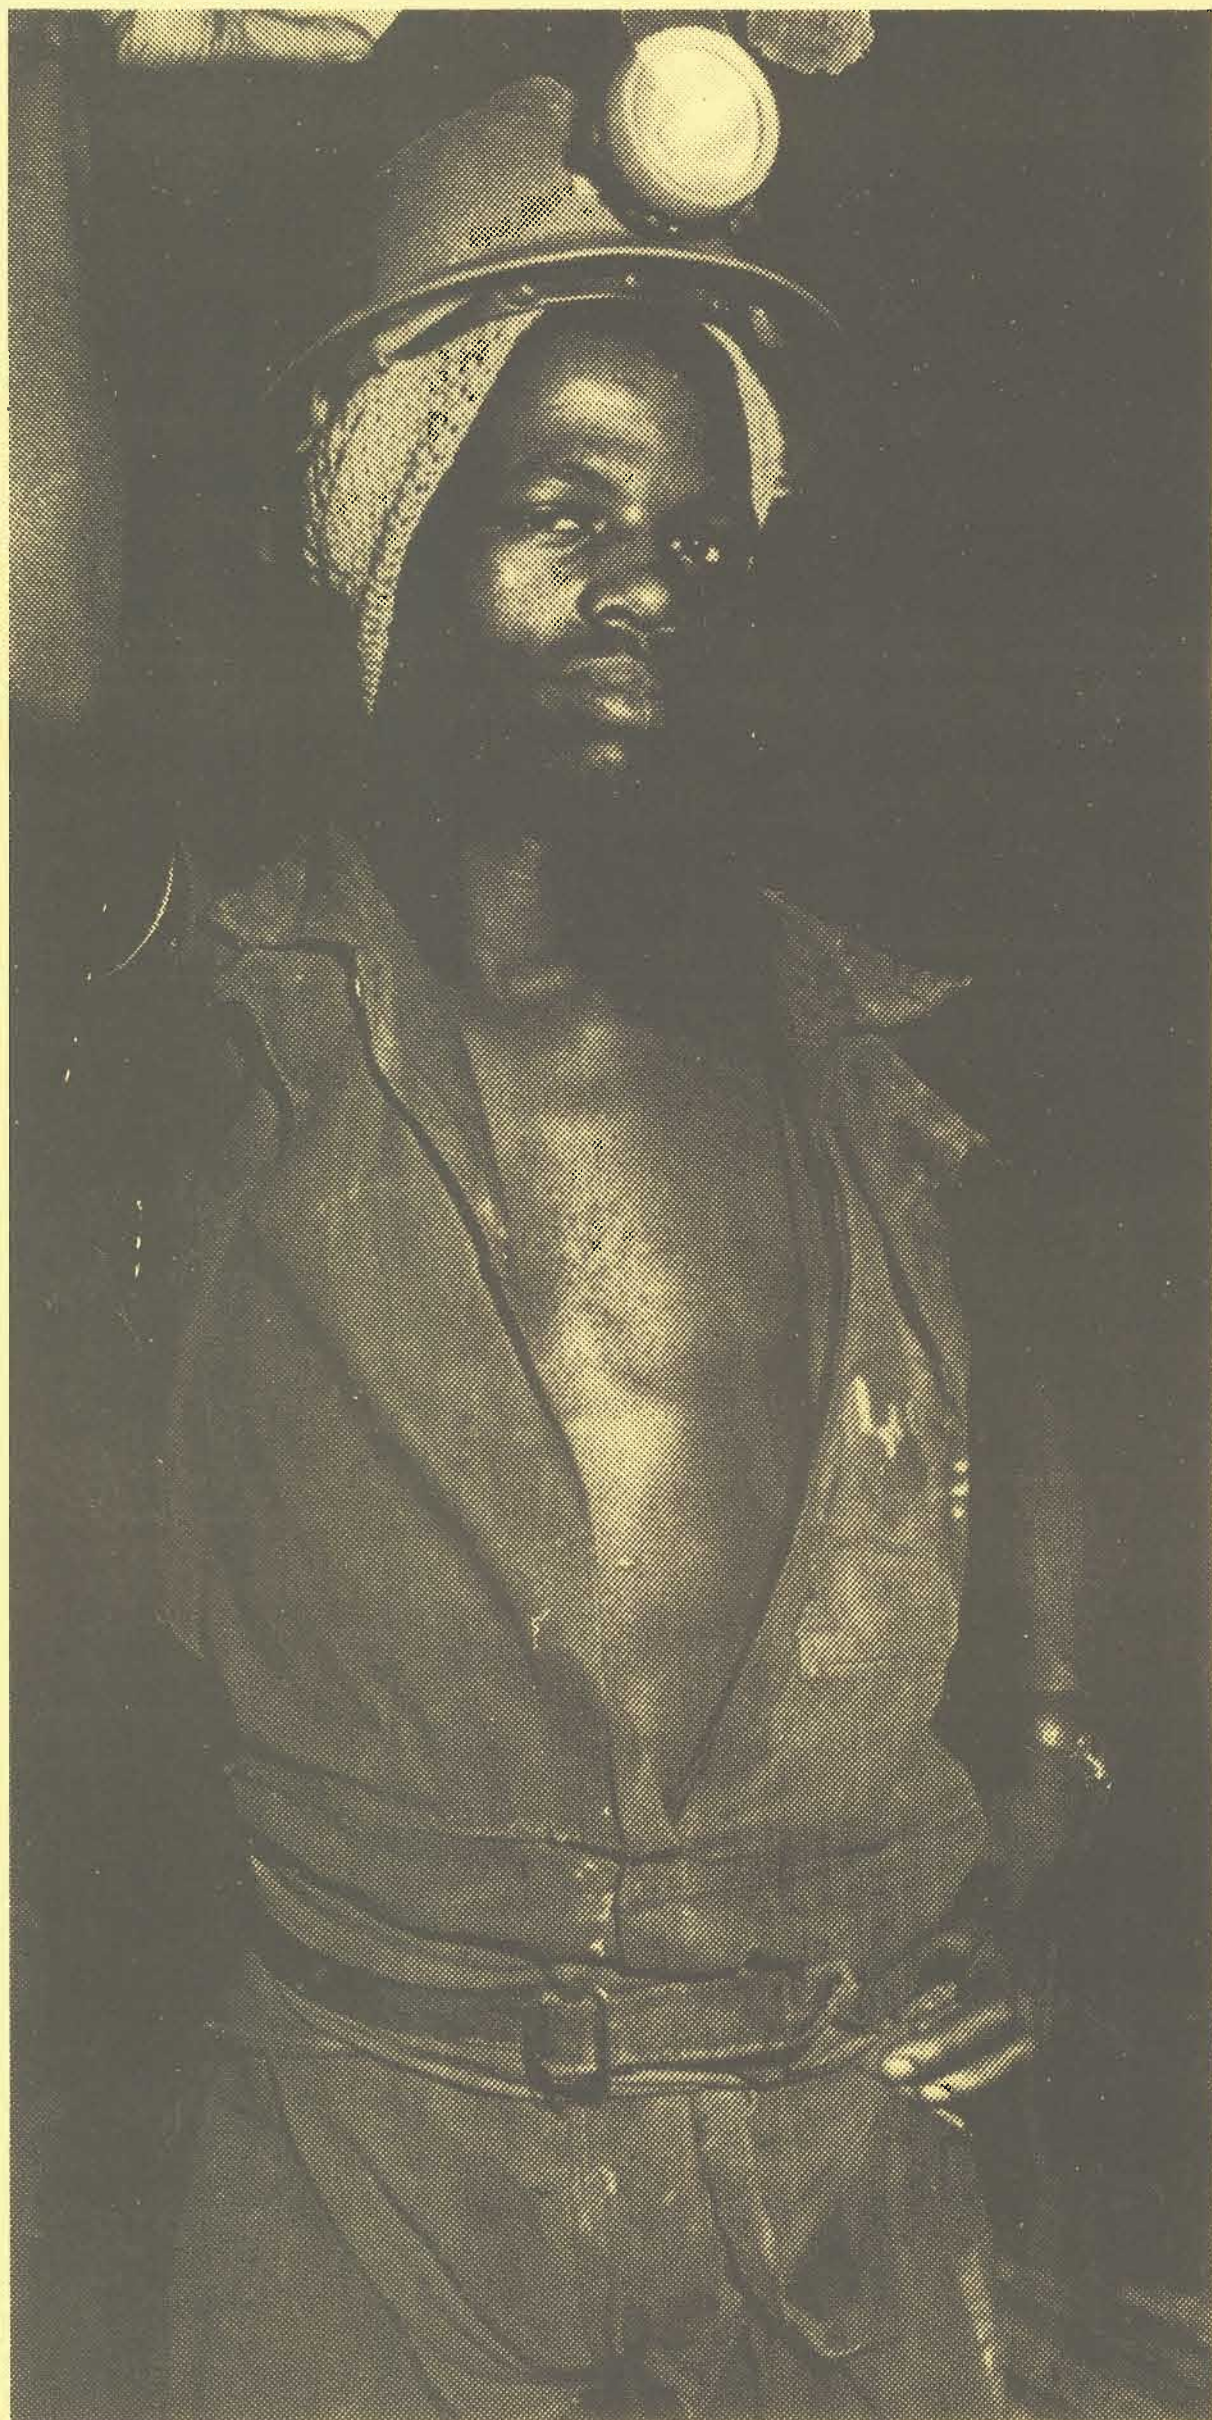

WHAT HAPPENED AT THE COURT CASE?

- * The racist courts accepted only the mine's evidence
- * Management was not found guilty
- * Only one white miner was fined R100 for negligence

MANAGEMENT WAS NOT PUNISHED FOR KILLING WORKERS AT KINROSS

WHAT HAS HAPPENED TO FAMILIES OF KINROSS VICTIMS?

- * They continue to suffer while Gencor refuses fair compensation
- * 5 years after the disaster families of Kinross victims have not been compensated
- * Gencor is offering each family only R4000 for the loss of a breadwinner

NUM DEMANDS FAIR AND JUST SETTLEMENT OUT OF COURT!

WHAT CAN WORKERS DO ?

- * Demand safer working conditions
- * Build strong safety committees
- * Elect Union safety stewards
- * Demand to participate in inquiries
- * Demand fair and just compensation
- * Demand that management be punished
