ALL THE ABOVE WEAPONS HAVE APPEARED WITH NUMEROUS FEATURE VARIATIONS DEPENDING ON COUNTRY OF ORIGIN AND YEAR OF MANUFACTURE.

Terrorists use a wide variety of Weapons of which the AK 47 and its modernised brother the AKM are the most popular. The AK47 and its improved variations were manufactured and used by all Eurasian Communist countries at some time or other and are supplied in abundance to all insurgent groups worldwide. The variations are too numerous to detail on a single chart. A cross section of the weapons and accessories that are most popular with the terrorist are shown.

**WARNING: Possession of the above or any other unlicensed weapon is illegal. If any foreign weapon is seen or found, report them to your nearest police station immediately and inform your superiors.**
