

KATE - ONE OF MANY

...we say YES to the African people on this historic day;
...the Koornhof Commission is determined to bring our people living in rural areas back to their homes and to the land.
...We know that this government is determined to bring our people living in rural areas back to their homes and to the land.
...ships, that our people living in rural areas will be cut off from their land and their homes.
...relocated areas will be cut off from their land and their homes.
...produce areas in the cities.
...charges will increase.
...that will increase the unemployment rate.
...from rural areas.
...tacks from rural areas.
...students from rural areas.
...education will be cut off from rural areas.
...labour. Ethnic control and domination will still be felt in rural areas.
...Apartheid will still be felt in rural areas.
...the religious and cultural life of the people.
...harmed. The sins of apartheid are stamped on the culture and religion of the people.

FREE DOM

...the fact that the new Constitution will be filled with fears of apartheid and white domination.
...we commit ourselves to uniting people wherever they may be in the country, in the schools, colleges, churches, mosques and homes.
...struggle for our freedom.
...to stand shoulder to shoulder and commit ourselves to mobilise all community, worker, student, sporting and other organisations of the United Democratic Front, regularly and honestly, and bravely present their views and aspirations in the coming dangers and the need for all organisations of the people; these Bills and other day-to-day people.

...together in the fight side by side by the constituent organisations of the people.
