

"Has not God chosen the poor of this world to be rich in faith and to inherit His kingdom? He promised those who loved Him. Is it not the rich who are exploiting you...?" (James 2: 5 & 6)

RETRENCH-  
MENTS  
?

For years, bosses make workers produce more and more because they want to make lots of money.

Over-production: Now they cannot sell the clothes. But they want to make high profits.

So they put up the prices of the clothes.

They put off workers. Unemployment grows, the workers suffer.

The big bosses fight against the small bosses.

The big factories buy more machines and put off workers.

The big bosses are protecting their profits. To do this, they are throwing away jobs. They made this problem, LET US ALL FIGHT TO STOP THEM...!
