

**D**iscuss and debate: Learn what AIDS and HIV are

**E**ducate: We have a right to health and sex education in our schools

**F**ight: We must involve all of our people in the struggle against AIDS

**E**quality: Women and men must fight AIDS together. Each of us has a right to say when and how we want sex

**N**ow act: We must use safer sex always, and encourage others to do so

**D**on't discriminate: People with HIV and AIDS are also part of our community. We cannot fight AIDS if we are divided!
