*"I give you my pledge that my colleagues and I will work together with you to bring a better life for all of us in the Western Cape. We'll protect your jobs and work hard to create new ones. We'll look after your pensions. And we'll bring peace back to our streets by putting an end to gangsterism, rape and violence."*

*Here is our list of candidates to represent you in the Western Cape.*

*These men and women come from all walks of life and have been nominated by hundreds of individuals and organisations. They live in your community, so they understand your problems from first hand experience.*

*That's why you can trust the ANC to put in place a plan that will work for you. On April 27, vote for the ANC. It's time we had a government that's on the side of the people in the Western Cape.*

**A better life for all. Working together for jobs, peace and freedom.**
