

# WOMEN UNITE!

*Yes there will be springs  
Where little children of Soweto  
Mamelodi Mashu Langa Athlone  
Can drink wash or just simply  
SPLASH  
And like tadpoles  
Freely swim  
On all June sixteens to come*

**the need for unity is the need for  
People's Power. It is the power  
against starvation, removals,  
resettlement and disease**

**FORWARD TO YEAR OF WOMEN!**
