

"JOU PAS, WAAR'S JOU PAS MAN!"

...over 2 million people have been resettled in the "homelands" where unemployment & poverty are so bad that people come to the urban areas "illegally" to look for work...
...the jails are overcrowded with people on pass "offences"
...the Orderly Movement & Settlement of Black Person's Bill aims to stringently further influx control
...there is a housing backlog of 200 000 units; the responsibility provide housing is

of the state to shifted to the homelands and Local Authorities
...there are squatter camps because people have nowhere else to stay... police repeatedly demolish shelters despite rain, cold....

WHO'S FOOLING WHO?

APARTHEID CONSTITUTION-NO THANKS
