Lower Primary
School

Staff meeting: - Principal - Chairman

Chairman raised the topic
to. There is co-operation between
the Principal and the staff.

There is co-operation between
the Principal Fraternal and school.

The principal is not a dictator
~~Sp~~ Meetings held when the
principal has something to suggest
or after the principal's meeting.

Sports: -

We have played with all
the Primary Schools except Sec.
School. There is relationship
amongst schools. We once staged
a concert at Nolutando Hall with
Tantyi Lower and Nteiko Pr. Schools.

Mr Dwane (Andrew)

Staff Meeting: No staff meeting

Our last meeting was at January.

There is co-operation between the staff.

Related with other school in sports. We get our support from Samuel ^{Ntshiko} and Fikuzole. Last year we were not in friendly terms with other schools in sports because we were too superior for the other school. — Makana Higher, and Tandyi Higher. This ~~we~~ year we are in friendly terms because the sports master of Tandyi Higher said we must mixed our boys — 1st & 2nd 1/2 played against their 4th team.

Miss Antonia K. (Tarty, Higher)
(refusal)

Mr James (Nyaluza Sec)

Staff meetings: ① Topics raised by the principal. ② Free to ~~oppose~~.

Friendly with other school.

Problems solved by staff-meeting.

- Staged a concert with

Andrew Moyake Primary School.

- Played matches with all schools (Primary)

- Our boys used to give

practise to Andrew Moyake and Tanti Higher.

Respondent:- Mr Ngesi (Tantyi Higher.)

Staff Meeting:- In his reception by the principal & staff.

The principal was the speaker. In his words he said:
"In this school the staff is co-operating and we wouldn't like you as a new teacher to break the harmony of this school." I ~~and~~ ~~took~~ ~~deep~~ ~~accepted~~ these words, and they worried me a lot.

Choir master at Tantyi Higher.

Told by principal they are pillars of the choir — find situation difficult and impossible as the choir master — ~~told~~ the line — involved with two girls — pillars of the school — by the principal.

There was a hand-work competition — When I was in Malcana Higher we used to

topped all the schools. But when I taught at Tanti Higher we lost the comp. 'cause the judges favoured Andrew Moyake (Mr Lubelwana of Andrew, Miss Moyake of Makana Higher, and Miss Budaza of Makana Lower.) — Tanti Higher came 2nd. Some of my articles were stolen 'cause they were the best as far as I am concerned. I did best articles for Makana when I was teaching there and I won the prize. I ^{displayed the models} _{when I was at Tanti} found out that Andrew Moyake Pr. bought ready made staff (clay, hand-work) ~~They~~ Moyake Primary School won this year's competition.

Miss Maza (Makana Lower)

Staff Meetings -

- Agenda by the principal
- Additional topics by anyone of the staff.
- There are no conflicts so far, as the school is still new. - it started with three teachers.
- As it is a new school, I think the principal is still in good terms with ^{her} staff.

I ~~we~~ sports - no school we have played with.

Still in friendly terms in other schools.

- I am member of the T.U. I ~~am~~ ~~not~~ ~~no~~ ~~more~~ ~~a~~ ~~member~~ of the Teachers Union because our president is a dictator. His word is final.

There are so many delusions because of his dictatorship. There are so many principal who are not attending the meetings e.g. Mr Daniels, Mr Mdanay, Mr Mdyesha. — His friends are still attending meeting e.g. Mr Mswetyana, Mr Malupule and their staffs, his staff.

All of those who are not attending the meeting are still paying the subscription. I think it will be better if the leadership can be changed.

We ^(Lady teachers) thought it would be better if we can form Gra' Lady's Teacher Union (like Zwelitsha) instead of being under a dictator.

NTSIKO: Miss Takamura

Conflicts:

No conflicts ~~ex~~ except class competitions.

Give advices to the teacher who has done a wrong thing. — Meetings when the principal has something to suggest.

Two lady teachers once quarreled and principal ~~is~~ solved the problem. There is harmony since then.

Only the male teachers who attend the meetings of the T. U.

Lady teachers are also members but not attending the meetings.

Paying the subscription.

New president is too dictatorial. He is always,

right. His suggestions are
to be accepted. Other
people's suggestions are
always useless. His friends'
suggestions are considered,
(Principals of ~~Andre Ntiko~~
Myalura and Malcana Higher.)
He is forceful — Not
lazy to clap a teacher.
— Friendly — with all
schools in sports and in
music. No quarrel between
our students and other
schools' students except
location grudges.

Think T. U. must
come to a stop 'cause
it is useless. Ladies
must also be given seats
such as 'president.

Miss Budaa Tarkyi Lower.

Conflicts.

Class competition
Seniors used to solve
our problems - without
the principal knowing, /
Male teacher who is a
principal. We are afraid
of him because with
is forceful. He is always
alone in the staff
room. He once clapped
his assistant who was
a lady in front of the
students. Case ended at
Court. Every teacher is
afraid of him.

We are all members
of the T. U. and attending
the meeting 'cause our
principal is the ~~president~~.

We new Teachers we

not given chances to
oppose anything said by
the old teacher. We
have little to do in
the meeting. Some teachers
are not attending ~~at~~ the
meetings especially ladies
because ~~he~~ ^{is} ~~is~~ ^{dictated} ~~is~~ ⁱⁿ ~~is~~ ^{right}
he never goes wrong.

We are friendly with
the Hsilco Pr. Sch. in such
a way that we used to
exchange examination
papers. I don't think
we are friendly with
Taintyi Higher but I think
that is amongst the
principals. We, assistant
teachers - we are in
good terms.

Meetings: We have our staff meeting just like other schools. The sister who is the principal is the head of the meetings.

She suggests the topics ~~relation~~ The staff is co-operating.

Though we are paid by the church, we are allowed to attend the Teachers Union.

We used to take part in sports and festival with other school but this year we failed to form up teams and choir.

We friendly with all the schools. We use the same books ~~at~~ ~~the~~ used by other primaries. Our school is a Std I primary. When they ^{have} are finished here we give them papers to go to other Higher P₁ to complete their Std II.

Nurse Masiza &

Setters Hospital. ~~Nurse~~ (EHN)

Friction:- No.

White nurses give their respect to qualified non white nurses. No right to instruct their seniors.

Complaints:-

We go straight ^{to} matron about our complaints.

There is a great relationship between non-whites and white nurses. We not allowed to nurse whites. There are some white nurses who think they are our seniors because they are white. Non-white Aux Nurse can be in charge of the ward if the sister is off but not the senior white nurse if the Aux Nurse is present. Same offices but not toilets and rest-room. Working fine with the ~~non~~-white staff.

Nurse Florence. (N/A)

Prince Alfred Hospital.

There are frictions between the staff - Report to Sister-in-Charge - to Matron. -

- Co-operation amongst the White and Non white staff. White nurses still on training give respect to qualified non-white nurses.

Nurse Council takes ^{A. Nurses} ~~as~~ as the superior to the trainees irrespective of colour.

The aux Nurse ~~is~~ can be in charge of a ward if the sister is off ^{even if} ~~no matter~~ there is a white senior nurse, but we respect them (White nurses) and they respect us (non white Aux. Nurses) Use the same office, different toilets and rest-rooms. Not allowed to work among the white patients

but they (white nurses) are allowed to work among non-white patients. Qualified Aux. Nurse has the right to instruct a white nurse but ~~not~~ the vice versa. White nurse aids and non white nurse aids are on the same level as far as the nursing council is concerned but they think they senior because they are white. White Nurse Aid can not instruct a non-white Aux. Nurse ~~because~~ she is her senior.

Ambulances: - Non white are allowed ~~only~~ to take white patients ^{only} on emergency cases, such as if the white drivers are out.

City Library: - Non-whites are not allowed to take or read books ~~in~~ in the city Library.

Mr Kofi (Taxi man)

Non-whites ~~are~~ were allowed to hire white taxis but whites were not allowed to hire non-whites taxis. Non-whites are no more allowed to hire white taxis this ~~is~~ ^{has} been stopped by the govt. Fikizolo Dancing Club.

This club ^{formed.} was ^a by Mr Ntlabati who was helping Mrs Yili, ~~and~~ Ntuthu and Rev Mabuto of St Phillips. ~~The~~ Rev Mabuto was a minister under Archbishop Njokuweni.

Rev Mabuto said that this dancing is not for the Anglican it is for all G-town ~~etc~~ youths. This was attended by many youths from different churches. Archbishop Njokuweni changed his views and said the club is not for all youths it is for the Anglicans. The Anglicans must be confirmed first. Most of the youths were not confirmed and ~~the~~ club was attended by few youths and it came to an end because many youths came from different churches. We applied to the

Bishop. And we drew
a constitution and sent it
to the Bishop. The constitution
said that the club must
be attended by all youths
in G. town. The Bishop
agreed.

City Saints

This club is no more existing. The only cause of weakness of this club is that Mr Nkani and myself left the club with a great number of members and opened the City Saints B.D.C. We left few members with Mr Dlukulu who was our instructor in dance.

The only reason why we left the club is that we were not satisfied about money. We paid our subscription but he never saw the money functioning. We went to a competition in Durban but the ~~the~~ club didn't help us. When we asked

Mr Dhukulu about the money - we are paying he said that - was none of our business - we joined G. D. C. only to dance not to ask money. He told us that he was our teacher and we must obey him.

Because I was a little bit advance I left him to open L.S.D.C. with the help of Mr Nkani and Mr Planga. We left him with few members. When these members saw that our new club is active they also left him and the G Club collapsed.

Mr Nggawana.

Grahamstown Music Ass.

We had trouble from the people who attended. They say that shows must commence at 7pm and end at 2am. The shows used to end at 12pm. We are still waiting for a reply from the City Council. The location superintendent (Mr Freeman) said that this ass. must be composed of all music groups. Some groups are not interested. There are only three groups represented i.e. Jumping J. B's, Quiz, and DB's. This year the Four Angels joined us and Nomatemba Mize also joined. Groups like Modern Keys, Sharks and others are not interested. We told Mr Freeman that other groups are not interested and he said we must apply to the City Council. We are still waiting.

Mr Nombulqa A.

Gr'town Cult. & Tennis Club.

We have no tennis courts and this made our club inactive. When this was formed we had many members 'cause some were interested in Tennis some in Music. Last ^{year} we had our choir but this year we didn't practise music at all.

Miss Maseti who was our secretary was the only cause of disputes. She left us 'cause she wanted to join other clubs for her practice. She was followed by many other ladies and this also weakened not only the tennis side but also the Music side. There were few ladies but many men. We decided to give up. Mr Kota formed the music choir last year ~~and~~ but when he

left G'town the choir also
died. Mr Mpiyana wrote us
letter inviting us to a
meeting - which will be held
at his place next month, I'm
not sure of the date.

How many officials - were changed?
in 1966 - 67.

Wanderers R.F.C.
Mr. Perwa. P.

There are no serious frictions in this club. Like all other teams - we are fighting this scandal done by youngsters to come drunk in the field. All the years - we are fighting this but we have no way of doing it 'cause among the drunkards there are pillars of the team. This makes it difficult to suspend anyone found drunk.

Some do not want to pay their yearly subscription fee but they expect to play in our team. In this club no one is allowed to play if he doesn't pay his fee. We give chances to those who have paid their fee. It will be unfair to pick a man who didn't pay his fee and leave the one who has paid. We made this a

rule 'cause there those who
are / best players and they don't
want to pay the fee. This year
all those who playing in our
teams have paid their fee.

If a member - came
drunk in our meeting we
take him out. Our problem
is on the field where we
can not suspend any one
who found to be drunk. 'cause
they've paid their subscription.

all the 1966 officials were
re-elected in 1967, because there
was shortage in money. Our
President suggested that the same
officials must be at the office
again until the money is found.
He said the shortage will be
his responsibility if new officials
are elected.

Dancing Club.
* * * * * Planga W (City Saints)

I'm not quite sure of the number of shifters but - we have quite a good number of those who left our club and join other clubs, some leave their clubs and join us.

From the "hearsay" of those who left us they say our instructor ^{myekula} is cruel and he give practice to his favorites.

There one thing common to all dancing clubs, people will never be satisfied ~~with~~ ^{by} the superior

If a person is promoted and become a second instructor (e.g Mr Ntlabati) he thinks he knows dance and think of opening his club. These people like Mr Ntlabati) like to ^{be} leader. These people are not good - and must not be followed by those who want dance.

A great problem in ~~a~~ rugby clubs is money and officials like to use club's money.

Members shift in rugby
1) Because ~~they~~ ^{some} are not recognised their saying in meetings.

2) Some players are not recognised in teams, selectors select their favourites, I mean those who showed progress previous year. They never bother themselves by first choose their first team from the second and third teams

3) Some officials like to be leader and they influence good players not to play in matches. In 1960 they officials from all teams who were not satisfied by the way their clubs select their first teams. These

started to come together
and open their club called
O.C.R.F.C. These people did
a good thing because they
also recognise that in these
clubs, selectors select their favourites.
Those who were fresh from
school who not given chance
in playing in these clubs.
and OC came into action
There are clubs like Rovers
opened by Mr Hashe and
others. This club is formed
by those who were not satisfied
in their clubs and came
together to open Rovers.

Bands Club. Golco T. (Quiz Quiz)

A shift in bands is caused those who are suspended 'cause of their drunkenness in shows.

If a person is suspended, he thought he is expelled and join another band. Take for instance the case of Mr Ngeangea who was suspended in Quiz and join the DB's. Some leave their bands only 'cause they want to be leaders e.g. Zaks who left us and opened the Combe Jazz Band. Zaks did a good thing 'cause in the location there were many who can play instrum but who not elected in our bands 'cause we were short of mth. Zaks thought of opening another band.

~~Cricketer Club.~~
Matiza (Hamilton)

In cricket there are no friction and shift. Very few who left our club and join other club.

St Andrews cricket club is born of Hamilton. They only wanted a team to play against the Hamiltons.

There was no quarrel. Those who opened the St Andrews thought of a good thing because there were many players who were interested in playing cricket but were not given chance to play in other clubs. There were many players and they can not be all selected to play A (A team) so they thought of opening their club which I think is a good thing.

Band Mggawana.h.

1. Born of drunkenness. - Mr Moyake.
2. To be late in shows.
3. Some want to be leaders.
e.g. Zaks leave left @w.
4. Progressive.

Rugby Gwabani

1. Drunk in the field.
2. Suspension result to shift.
2. Some get no chances of playing due to the have many players and some don't have chance to play.
3. Some have influence on the officials.

Local Groups

Mr Albany W. (Shanks)

In local groups shifting is caused mainly by stage managers. If a stage manager is too soft, some one will want to take his place cause the leader is weak. Some times if the manager is too strong, strict this also caused a shifting. Money is a great quarrel ~~is~~.
